Re: STB Docket No. AB-490 (Sub-No. 1X)  
Greenville County Economic Development Corporation - Petition For  
Exemption For Partial Discontinuance And Partial Abandonment - In  
Greenville County, SC

Dear Ms. Wood:

The Board's Environmental Assessment ("EA") served in the captioned matter on August 23, 2005 recommended that Greenville County Economic Development Corporation ("GCEDC") notify the National Geodetic Survey ("NGS") at least 90 days prior to destroying any geodetic markers on the involved lines, and provide the Board with written results of that notice. We have since received the attached communication from the NGS, stating that there are no geodetic markers on the involved lines. Accordingly, GCEDC submits the original and 2 copies of attached letter to comply with recommended Condition No. 1 listed in the EA.

Copies of this submission are being served today on all parties of record listed on the Board's website. If there are any questions concerning this submission, please contact me directly by telephone at (202) 663-7823, or by mail and by e-mail at the addresses shown above.

Sincerely,

William A. Mullins
